CALL FOR VIDEO SERVICES

The 2010 Secretariat is issuing a request for proposal for video services. It will be posted on [BC Bid](#) as well as the [2010 Commerce Site](#). If you are interested or you know of a company that may be please have them register on the [2010 Commerce Site](#) as soon as possible.

The primary goal of the Vancouver Organizing Committee's procurement efforts is to maximize the value of goods and services received for the money spent, while ensuring that schedule deadlines are met. In addition, the integration of sustainability principles of environmental stewardship, economic opportunity and social responsibility into the procurement process is a significant element of VANOC's strategy to host a sustainable 2010 Olympic & Paralympic Winter Games.
